

One Call Expands Operations in Springfield

New One Call office will support customers across all product lines

JACKSONVILLE, Fla. (June 28, 2017) – [One Call Care Management](#) (One Call), a leading provider of workers' compensation care management services, announced plans to open a new office in Springfield, Missouri to accommodate future growth. One Call will begin operations in August 2017 in 31,512 square feet of an existing building, located at 1930 West Bennett Street.

"The decision to expand in Springfield is an essential step in our business strategy," said Chris Watson, chief operating officer at One Call Care Management. "Springfield is conveniently located in the central time zone and will be an extension of One Call's existing locations, supporting all product lines. The city's robust healthcare talent pool well positions us for continued growth and providing quality service to our customers."

"We are excited that One Call has chosen Springfield," said Matt Morrow, president of Springfield Area Chamber of Commerce. "Our region's economy is strong and our commitment to growing and attracting talent are epitomized by One Call's decision to grow here. Springfield's rich history in the healthcare industry, top rated quality of life and growing number of economic opportunities will ensure One Call has a successful future as a company."

One Call expects to fill at least 100 positions by the end of 2017. An invitation only hiring event will be held at the new Springfield location in the coming weeks. For consideration, please apply online at www.jobs.net/jobs/onecallcm/en-us/.

###

About One Call Care Management

One Call is the nation's leading provider of specialized solutions to the workers' compensation industry.
